CATHETER ADAPTER
& accessories for
PD Catheters

Specifications:

- **Plastic Catheter Adapter** is an inexpensive alternative to the Titanium Adapter. It allows peritoneal catheters to connect securely to CAPD administration sets.
- **Catheter Clamp** allows easy clamping of the peritoneal catheter.
- **Injection Cap** is used to cap off the catheter adapter. It is self-sealing and provides for administering medication.

Plastic Catheter Adapter PCA-1010
Injection Cap ICL-100
Catheter Clamp PCA-1030
